Identified on Exhibit A which are Equity Interests that the Reorganized Debtors have identified as representing solely a proof of interest in the Debtors. Identified on Exhibit A which are Equity Interests that the Delphi identified as representing solely a proof of interest in Delphi. As defined in Rule 7001(4) of the Bankruptcy Code. The burden of proof has sufficient factual supporting the claimants claims set forth in claim number 18603. In re Worldcom, Inc., No. 02-13533, 2005 WL 3832065, at *4(Bankr. S.D.N.Y. Dec. 29, 2005)(only a claim that alleges facts sufficient to support legal liability to claimant satisfies initial obligation to file substantiated proof of claim)

Furthermore, claimant would like to invoke section 10(b) of the Exchange Act Rule which Delphi with Manipulation or Deception. That was a “fraud on the market” that caused many people and companies to lose money that they invested in them. This can be shown by Exhibit A and with the company filing Bankruptcy along with the value of Delphi (DPH) Equity which is valued at \$0.00. Theory enunciated by the Supreme Court in Basic Inc. v. Levinson, 485 U.S. 224

(1988). Which therefore makeup moneys that people have invested/loaned to Delphi to fully supported operations. The Reorganized Debtors and Delphi (DPH) should pay back the money that was loaned/invested in them as part of their reorganization plan.
